Your Source For

Afterschool Activities

Welcome to the Thrive On and Thrive Up Afterschool program presented by the Flint Center for Educational Excellence. Thrive Afterschool is where learning and fun come together to ensure every student thrives! Our innovative program offers a balanced blend of enriching activities designed to nurture well-rounded development, with academic interventions that promote success in school.

Each afterschool program's pages include information about field trips, community education, family-oriented events, and in-school mentoring and support. If you have any questions, please reach out to your Community School Director.

Brownell S.T.E.M. Academy

Dinner/Affirmations

Grades K-5 - Session 1 & 2

Healthy meals emphasizing the importance of nutrition and good eating habits. During dinner, we will practice positive affirmations as a group.

Held: M, Tu, W, Th 3:45-4:35 p.m.

STEAM

Grades K-5 Session 1 & 2

A fun hands-on learning experience where kids dive into STEAM through creativity and discovery. Students participate in exciting experiments, building challenges, art-infused projects, and problem-solving activities designed to spark curiosity and imagination.

Held: M, Tu, W, Th 6:15-6:45 p.m.

Girl Scouts

Grades K-5 Session 1 & 2

Girls will be engaged in leadership training, service learning, youth voice and empowerment activities, and developing life skills through Girl Scout programming.

Held: Tu 4:35-5:25 p.m.

Character Counts

Grades K-1

This character education class helps students develop the values and life skills they need to succeed in school and beyond. Through stories, discussions, role-playing, and real-life examples, students learn how to make positive choices and treat others with respect.

Held: M, W 5:25-6:15 p.m.

No 2 Stripes Alike

Grades K-2 Session 1 & 2

Lessons in zoology, including live animal handling, ecology, and biology. Students will learn about animal behavior and habitat.

Held: W 4:35-5:25 p.m.

Kindercise

Grades K-2 Session 1 & 2

Kindercise is a high-energy exercise class for our K-2 students. Through playful movement, music, and games, children build strong bodies while learning the importance of kindness, teamwork, and positive attitudes.

Held: M, W 5:25-6:15 p.m.

Fuel For Fun

Grades K-2 Session 1 & 2

A nurturing after-school experience designed to fuel students' bodies and minds. During this program, students explore nutritious recipes in a welcoming, environment that promotes healthy eating habits, gratitude, and connection.

Held: M, Tu, W, Th 4:35-5:25 p.m.

Reading Rangers

Grades 1-2 Session 1 & 2

Reading intervention; literacy and skill building to improve grade level reading using strategies such as lessons on individual tablets, reading curriculum, parent and family engagement activities, and more.

Held: Tu, Th 3:45-4:35 p.m.

Fathers That Care

Grades 2-3 Session 1 & 2

Volunteers will teach students about entrepreneurship, business, and healthy habits, designed to build leadership skills, strong character, and positive values.

Held: W 5:25-6:15 p.m.

Scouting

Grades 2-5 Session 1 & 2

A safe, fun place to learn, explore, and grow. Programming includes character development, leadership, and outdoor exploration.

Held: Tu 4:35-5:25 p.m.

Youth Advisory Council

Grades 2-5 Session 1 & 2

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Held: M 6:15pm-6:45 p.m.

Mighty Bites

Grades 3-5 Session 1 & 2

A nurturing after-school experience designed to fuel students' bodies and minds. During this program, students enjoy a nutritious dinner in a welcoming, environment that promotes healthy eating habits, gratitude, and connection.

Held: M, Tu, W, Th 5:25-6:15 p.m.

Robotics

Grades 3-5 Session 1 & 2

Through our partner Stemletics, children learn the concepts of science, technology, engineering and math by applying them to athletics and sports statistics.

Held: M, Th 4:35-5:25 p.m.

Robotic Soccer

Grades 3-5 Session 1 & 2

Through our partner Stemletics, children learn the concepts of science, technology, engineering and math by applying them to athletics and sports statistics.

Held: M, Th 4:35-5:25 p.m.

No 2 Stripes Alike

Grades 3-5 Session 1 & 2

Lessons in zoology, including live animal handling, ecology, and biology. Students will learn about animal behavior and habitat.

Held: W 5:25-6:15 p.m.

Fathers That Care

Grades 4-5 Session 1 & 2

Volunteers will teach students about entrepreneurship, business, and healthy habits, designed to build leadership skills, strong character, and positive values.

Held: W 4:35-5:25 p.m.

Poetic Justice

Grades 4-5 Session 1 & 2

A fun and creative class where students explore poetry, rhythm, and self-expression through words, movement, and imagination.

Students will listen to poems, play with rhymes, create short verses, and share their voices in a supportive environment.

Held: M, W 4:35-5:25 p.m.

Financial Literacy

Grades 4-5 Session 1 & 2

Age-appropriate financial education in money management skills such as saving, budgeting, and making smart spending choices through interactive activities and real-life scenarios.

Held: Th 5:25-6:15 p.m.

CRIM SPORTS

PeeWee Co-Ed Basketball

Grades K-2 Session 1 & 2

Basketball basics that teach teamwork, develop coordination, and develop an understanding of team sports.

Held: M, W 4:35-5:25 p.m.

Jr. Boys Basketball

Grades 3 & 4 Session 1 & 2

Basketball training and conditioning that includes games with playoffs.

Held: M, W 5:25-6:15 p.m.

Sr. Boys Basketball

Grades 5 & 6 Session 1 & 2

More advanced basketball training and conditioning that includes games with playoffs.

Held: Tu, Th 5:25-6:15 p.m.

Jr. Girls Basketball

Grades 3 & 4 Session 1 & 2

Basketball training and conditioning that includes games with playoffs.

Held: W 4:35-5:25 p.m.

Sr. Girls Basketball

Grades 5 & 6 Session 1 & 2

More advanced basketball training and conditioning that includes games with playoffs.

Held: W 4:35-5:25 p.m.

Black Violin

Feb. 13 7:00-9:00 p.m.

Students will attend a live performance of Black Violin, a Grammy-nominated duo composed of classically trained Black musicians who blend classical strings with hip-hop, R&B and pop music. During the performance, students learn the importance of arts education, musical discipline, cultural representation, and breaking barriers.

STEM at Chuck-E-Cheese

May 21 4:00-6:00 p.m.

This annual field trip is a culminating celebration that applies STEM education to fun! Students learn about physics, velocity, force and friction as it applies to fun and interactive games.

Upper El Trip to Dave & Busters

May 22 2:00-6:00 p.m. *This is a day*

school trip (approved by Principal) to celebrate the end of the year. Students will be applying STEM concepts and applications learned during afterschool programming.

This annual field trip is a culminating celebration that applies STEM education to fun! Students learn about physics, velocity, force, and friction as it applies to fun, interactive games.

Success Mentoring

During lunch M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Kindergarten Transitions/Buddy Visits

May 18

Buddy Visits allow preschool students and families to visit and engage with school staff and kindergarten students in elementary school classrooms. Each preschool student will have a kindergarten buddy, and the pair will be assigned common goals during the Buddy Visits.

Parent Ambassador Meetings

Feb. 12, March 12, April 16, May 14 from 5:00-6:00 p.m.

Parents and other community members collaborate with school staff and administrators to provide input on educational policies, programs, and decisions to improve student success. This group serves as a bridge between the home and the school.

Youth Advisory Council

Bi-weekly on Monday beginning Jan. 26 from 6:15-6:45 p.m.

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Harlem Globetrotters

Jan. 29 2:00-6:00 p.m.

Parents and youth will enjoy an unforgettable night of high-energy basketball and family-friendly fun as we watch the Harlem Globetrotters.

Universoul Circus

March 6 2:00-6:00 p.m.

The Universoul Circus celebrates global culture, creativity, and community through breathtaking performances by talented artists from around the world. Families will enjoy acrobatics, music, dance, comedy, and dazzling visuals while students gain exposure to diverse cultures, teamwork, discipline, and the arts.

3rd Annual Sneaker Ball

March 6 5:00-7:00 p.m.

This annual event is a celebration and opportunity for parents and students to attend a 'dress-up' occasion. An evening of fun, music, dancing, family photos, and dinner.

College/Career Week

March 9-13 9:00 a.m.-2:00 p.m.

"Pathways to Purpose" - This event will be a week filled with college and career readiness for our elementary students. They will be engaged in mentorship, a mascot scavenger hunt, HBCU Day, College Life Q & A panel and much more.

Fun With Fellas

April 17

Join us for a dynamic and engaging event designed to celebrate Fathers and Father-Figures while strengthening connections with the youth in their lives. Activities include: sports, video games (e-sports), board games, and interactive challenges for all ages. With great food and beverages available, the event creates a relaxed and welcoming atmosphere where relationships can grow naturally.

Rising Stars Talent/Fashion Show

May 8 5:00-8:00 p.m.

A celebration of student creativity; music, dance, art and fashion designed for students and their families.

Midwest Rodeo

June 3 7:00-10:00 p.m.

Brownell families can celebrate the rich and powerful legacy of African American cowboys and cowgirls at this exciting and educational family event. It is an opportunity to learn about history, resilience, and community while enjoying a family-friendly atmosphere.

Dailey Elementary

Mechanical Maniacs

Grades K-6 Session 1

Mechanical Maniacs is a STEAM-based theme centered on Science, Technology, Engineering, Art and Math. Students will learn problem solving, have hands-on design and build projects and develop teamwork.

Held: M, Tu, W, Th 3:15-5:15 PM

Examples of Mechanical Maniacs activities for grades K-3 will include: Marshmallow Towers where students will create a tower using large marshmallows, small marshmallows and uncooked spaghetti noodles; Iggy Peck Architect where students will work on creating and drawing a plan for their idea of a perfect school; and Crazy Catapults where students will learn about the simple machine (lever) and discuss potential energy, kinetic energy and elastic energy.

Examples of Mechanical Maniacs activities for grades 4-6 include: Building Bridges where students will learn about structural engineering by looking at different types of bridges. They will design, build, and test their own bridges; Balloon Rockets introduces students to Newton's Third Law of Motion by having them build and test balloon rockets making physics relatable; and Build a Trebuchet where students will learn about levers, counterweights, and energy transfer, demonstrating how ancient technology applied basic mechanics.

The Lit Lab

Grades K-6 Session` 2

In the Lit Lab, we will be working on all things literacy. Sight words, building vocabulary, helping students to become confident readers, interactive activities that will boost their reading and writing skills.

Held: M, Tu, W, Th 3:15-5:15 p.m.

Reading Rangers

Grade 1 Session 1 & 2

Reading Intervention; literacy and skill building to improve grade-level reading using strategies, such as lessons on individual tablets, reading curriculum, parent and family-engagement activities and more.

Held: T, Th 3:45-4:45 p.m.

FIELD TRIPS

Monthly Field Trips

Monthly, dates and times TBD

Zap Zone

Golden Corral Dinner Out

Student choice – students will decide as a group what field trips to take

COMMUNITY EDUCATION

Success Mentoring

During lunch M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Student Advisory Council

Feb. 5, March 12, Apr. 16, May 14

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Parent Ambassador Meetings

Jan. 16, March 13, May 15

Parents and other community members collaborate with school staff and administrators to provide input on educational policies, programs, and decisions to improve student success. This group serves as a bridge between the home and the school.

Science Family Night

Feb. 12 4:30-6:30 p.m.

A family science night where students and parents will enjoy staff-lead science activities and games to promote a night full of fun and hands-on activities through interactive play.

Thrive On Afterschool Parent Night

Feb. 26 5:00-6:30 p.m.

We will have a family dinner and game night with our afterschool program families.

Literacy Family Night

March 19 4:30-6:30 p.m.

Parents and students will engage in fun activities centered around reading and writing. There will be storytelling sessions, book making, and games that boost vocabulary and comprehension. This night will be about making literacy enjoyable and showing how it connects to everyday life.

Doyle Ryder

Bites & Beats

Grades K-6 Session 1 & 2

A fun, energizing supper program that fuels students with healthy meals while keeping them moving through music, games, and active play. It's the perfect mix of good food and great vibes to power kids through the rest of their day.

Held: M, Tu, W, Th 3:45-4:15 p.m.

Reading Rangers

Grade 1 Session 1 & 2

Reading Intervention; literacy and skill building to improve grade level reading using strategies such as lessons on individual tablets, reading curriculum, parent and family engagement activities, and more.

Held: Tu, Th 4:15-5:15 p.m.

Literacy Matters

Grades K-6 Session 1 & 2

Literacy Matters will help students become better writers, expand their vocabulary, and help them reimagine what they are capable of achieving.

Held: W 4:30-5:30 & 5:30-6:30 p.m.

ELGA Credit Union

Grades K-6 Session 1 & 2

Age-appropriate financial education in money management skills, such as saving, budgeting, and making smart spending choices through interactive activities and real-life scenarios.

Held: Tu 5:00-6:00 p.m.

Literacy Legends

Grades K-2 Session 1 & 2

A dynamic, play-infused literacy program designed to support scholars on their journey to becoming confident, curious, and capable readers and writers. The program weaves together structured skill development with imaginative activities, storytelling, and collaborative learning.

Held: M, W 4:30-5:15 p.m.

Full STEAM Ahead

Grades K-1 Session 1 & 2

Through games, puzzles, and hands-on STEAM activities, students explore numbers, patterns, and problem-solving in exciting ways.

Held: Tu, Th 5:15-6:00 p.m.

Active Adventures

Grades K-1 Session 1 & 2

A high-energy physical activity and wellness program. Through creative games, skill-building challenges, and team-based adventures, students explore movement in all its forms, while developing strong bodies, active minds, and positive social skills.

Held: M, Tu, W, Th 6:00-6:30 p.m.

Literacy Legends

Grades 2-3 Session 1 & 2

Literacy Legends is a dynamic, play-infused literacy program designed to support scholars on their journey to becoming confident, curious, and capable readers and writers. Grounded in evidence-based practices, it weaves together structured skill development with imaginative activities, storytelling, and collaborative learning.

Held: Tu, Th 4:30-5:15 p.m.

Full STEAM Ahead

Grades 2-3 Session 1 & 2

Through games, puzzles, and hands-on STEAM activities, students explore numbers, patterns, and problem-solving in exciting ways.

Held: M, W 5:15-6:10 p.m.

Active Adventures

Grades 2-3 Session 1 & 2

A high-energy physical activity and wellness program. Through creative games, skill-building challenges, and team-based adventures, students explore movement in all its forms, while developing strong bodies, active minds, and positive social skills.

Held: M, Tu, W, Th 6:15-6:45 p.m.

Beautified

Grades 3-5` Session 1 & 2

A personal care and healthy behaviors program.

Held: M 4:30-5:30 & 5:30-6:30 p.m.

Scouting

Grades 3-6 Session 1 & 2

A safe, fun place to learn, explore, and grow. Programming includes character development, leadership, and outdoor exploration.

Held: W 4:30-5:30 & 5:30-6:30 p.m.

Literacy Legends

Grades 4-5 Session 1 & 2

Literacy Legends is a dynamic, play-infused literacy program designed to support scholars on their journey to becoming confident, curious, and capable readers and writers. Grounded in evidence-based practices, it weaves together structured skill development with imaginative activities, storytelling, and collaborative learning.

Held: Tu, Th 5:15-6:00 p.m.

Full STEAM Ahead

Grades 4-5 Session 1 & 2

Through games, puzzles, and hands-on STEAM activities, students explore numbers, patterns, and problem-solving in exciting ways.

Held: M, Tu, W, Th 4:15-5:45 p.m.

Active Adventures

Grades 4-5 Session 1 & 2

A high-energy physical activity and wellness program. Through creative games, skill-building challenges, and team-based adventures, students explore movement in all its forms, while developing strong bodies, active minds, and positive social skills.

Held: M, Tu, W, Th 6:00-6:45 p.m.

Literacy Legends

Grades 5-6 Session 1 & 2

Literacy Legends is a dynamic, play-infused literacy program designed to support scholars on their journey to becoming confident, curious, and capable readers and writers. Held: M, Tu, W, Th 5:00-6:00 p.m.

Active Adventures

Grades 5-6 Session 1 & 2

A high-energy physical activity and wellness program. Through creative games, skill-building challenges, and team-based adventures, students explore movement in all its forms, while developing strong bodies, active minds, and positive social skills.

Held: M, Tu, W, Th 6:00-6:30 p.m.

PeeWee Co-Ed Basketball

Grades K-2 Session 1 & 2

Basketball basics that teach teamwork, develop coordination, and develop an understanding of team sports.

Held: Th 4:30-6:15 p.m.

Jr. Boys Basketball

Grades 3 & 4 Session 1 & 2

Basketball training and conditioning that includes games with playoffs.

Held: Tu, Th 4:30-6:15 p.m.

Sr. Boys Basketball

Grades 5 & 6 Session 1 & 2

More advanced basketball training and conditioning that includes games with playoffs.

Held: Tu, Th 4:30-6:15 p.m.

Jr. Girls Basketball

Grades 3 & 4 Session 1 & 2

Basketball training and conditioning that includes games with playoffs.

Held: M, W 4:30-6:15 p.m.

Sr. Girls Basketball

Grades 5 & 6 Session 1 & 2

More advanced basketball training and conditioning that includes games with playoffs.

Held: M, W 4:30-6:15 p.m.

Saginaw Valley State University College Visit - Grade 6

Apr. 23

Students will visit the campus of Saginaw Valley State University on a college student-led tour, speak with professors and other students about their university experience, and have lunch in the dining hall.

Holmes STEM Academy visit

May 14

6th grade students will visit Holmes STEM Academy to participate in transition activities that give them knowledge about middle school.

Roller Skating Field Trip

Date TBD

K-6 grade students will have multi-aged fun while improving their balance and coordination at one of our local roller rinks.

Zap Zone Field Trip

Grades K-6

Date TBD

Students will enjoy a fun outing filled with laser tag, obstacle courses, and glow golf.

End of Year Celebration Grades K-6

Date TBD

Success Mentoring

During lunch periods M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Kindergarten Transitions/Buddy Visits

Buddy Visits allow preschool students & families to visit & engage with school staff and kindergarten students in elementary school classrooms. Each preschool student will have a kindergarten buddy, and the pair will be assigned common goals during the Buddy Visits.

Youth Advisory Council/Student Council

Feb. 6, March 13, April 24, May 22

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Noon-1:00 p.m.

Family Bowling Night

Feb. 12

A Valentine-themed family outing for the Thrive On parents and their scholars. This is a great opportunity for family fun and bonding.

Parent Ambassador Meetings

Feb. 18, March 18, Apr. 8, May 18

Parents and other community members collaborate with school staff and administrators to provide input on educational policies, programs, and decisions to improve student success. This group serves as a bridge between the home and the school.

11 am. – Noon

2Gen Sip and Paint

March 8 4:30-6:00 p.m.

An opportunity for families to come together to create original works of art they can take home.

Family Fitness Night

Date TBD

Time for our students and their families to learn more about health habits and fitness together in a fun event that will build strong families.

University Park Block Club

Feb. 20, Apr. 20 5:00-6:30 p.m.

Durant Tuuri Mott

Dragon Feast

Grades K-6 Session 1 & 2

Dragons Feast is our afterschool dinner program, providing a healthy and welcoming meal for students. Designed for our after-school participants, it gives students time to eat, relax, and connect with friends.

Held: M, Tu, W, Th 3:30-4:15 p.m.

Active Dragon

Grades K-6 Session 1 & 2

Active Dragons is the physical fitness portion of our afterschool program, helping students stay active and healthy. Through fun games, exercises, and team activities, students build strength, coordination, and endurance. The program encourages an energetic lifestyle while embracing our school mascot, the dragon.

Held: M, Tu, W, Th 4:15-5:00 p.m.

Tutoring

Grades K-6 Session 1 & 2

Tutoring services for all students in kindergarten through 6th grade. This program will offer consistent, high-quality academic support aligned with classroom instruction, focusing on strengthening foundational skills, addressing learning gaps, and building student confidence.

Held: M, Tu, W, Th 4:15-5:00 p.m.

Reading Rangers

Grades 1-2 Session 1

Reading intervention; literacy and skill building to improve grade-level reading using strategies such as lessons on individual tablets, reading curriculum, parent and family engagement activities, and more.

Held: Tu, Th 4:15-5:00 p.m.

Flint Institute of Music

Grades K-6 Session 1 & 2

The Flint Institute of Music provides engaging, high-quality theater instruction for our students. Their teaching team leads interactive lessons that build confidence, creativity, and performance skills through acting exercises, storytelling, and collaborative activities.

Held: Tu 5:00-6:00 p.m.

No 2 Stripes Alike

Grades K-6 Sessions 1 & 2

Lessons in zoology, including live animal handling, ecology and biology. Students will learn about animal behavior and habitat.

Held: W 5:00-6:00 p.m.

Girl Scouts

Grades 2-6 Session 1 & 2

Girls ages 7-12 will be engaged in leadership training, service learning, youth voice and empowerment activities, and developing life skills through Girl Scout programming.

Held: M 4:15-5:00 p.m.

475 E-Sports

Grades 2-6 Session 1 & 2

Competitive individual or team video gaming on computers, console, or mobile gaming devices. Students will learn about sportsmanship and gaming strategies.

Held: W 5:00-6:00 p.m.

The Cool Down Cave

Grades K-6 Session 1 & 2

A cozy end-of-day spot where students can enjoy a snack, share reflections about their day, get help with homework and unwind before heading home. It's a friendly space to relax, recharge, and wrap things up on a positive note.

Held: M, Tu, W, Th 6:00-6:30 p.m.

Cooking With Coach A

Grades K-1 Session 1 & 2

Cooking with Coach A gives students hands-on experience in the kitchen, learning to prepare simple and tasty recipes. Students develop cooking skills, teamwork, and confidence while exploring new foods.

Held: M 5:00-6:00 p.m.

Gaming Dragons

Grades K-1

Gaming Dragons lets students explore strategy, teamwork, and problem-solving through a variety of games. From board games to interactive challenges, students build critical thinking skills while having fun.

Held: Tu 5:00-6:00 p.m.

Lights, Camera, Create!

Grades K-1

Lights, Camera, Create introduces students to the world of theater and performance through acting, storytelling, and creative expression. Students build confidence, teamwork, and communication skills while participating in fun, hands-on activities.

Held: W 5:00-6:00 p.m.

Color Craze

Grades K-1 Session 1 & 2

Color Craze lets students explore art through vibrant colors and creative techniques. Each session focuses on painting, drawing, and experimenting with different materials to bring their ideas to life.

Held: Th 5:00-6:00 p.m.

Art & Paint

Grades 1-3 Session 1 & 2

Students explore creativity through drawing, painting, and simple hands-on art projects. Each week features a new theme or technique. All skill levels are welcome

Held: M 5:00-6:00 p.m.

Battle of the Builds

Grades 1-3 Session 1 & 2

A fun, hands-on group where students use creativity and teamwork to make amazing structures. Each week, students will build with materials like blocks, LEGO bricks, cardboard, and more. They'll learn problem-solving skills as they design, test, and improve their creations.

Held: M 5:00-6:00 p.m.

Cooking Math

Grades 1-3 Session 1 & 2

Cooking Math combines hands-on cooking with practical math skills like measuring, fractions, and proportions. Students learn to apply math in the kitchen while following recipes and creating tasty dishes.

Held: Tu 5:00-6:00 p.m.

Junior Designers

Grades 1-3 Session 1 & 2

A creative space where kids explore their imagination through fun design projects. Each week, students will design things like clothes, cars, menus, and other exciting creations. They'll learn to plan, sketch, and bring their ideas to life using simple tools and lots of creativity.

Held: Tu 5:00-6:00 p.m.

Jewelry Club

Grades 1-3 Session 1 & 2

Jewelry Club lets young students design and create their own bracelets, necklaces, and other fun accessories. They learn basic crafting skills, practice fine motor coordination, and express their creativity.

Held: W 5:00-6:00 p.m.

Everyday Equations

Grades 1-3 Session 1 & 2

Students will explore how numbers are used in activities like cooking, making jewelry, playing games, and more. Each week, kids will practice measuring, counting, and problem-solving through fun, hands-on projects.

Held: W 5:00-6:00 p.m.

Crafty Dragon

Grades 1-3 Session 1 & 2

Crafty Dragons lets young students explore their imagination through fun, themed art projects inspired by dragons, fantasy, and storytelling. Each session builds creativity, fine motor skills, and confidence as students design and create their own magical crafts.

Held: Th 5:00-6:00 p.m.

Imagination Dragon

Grades 1-3 Session 1 & 2

Welcome to Imagination Dragons! This club is all about playing, laughing, and being a kid. From games and silly challenges to messy crafts and creative chaos, anything goes as long as we're having fun and being safe.

Held: Th 5:00-6:00 p.m.

Crafting Dragons

Grades 4-6 Session 1 & 2

Students will complete various arts and craft activities, including painting, bracelet making and more, allowing them to be creative and learn about the arts.

Held: M 5:00-6:00 p.m.

STEAM Club*Grades 4-6 Session 1 & 2*

Hands-on projects that explore science, technology, engineering, art, and math. Students experiment, build, and create while developing problem-solving and critical-thinking skills.

Held: M 5:00-6:00 p.m.**How to Cook a Dragon***Grades 4-6 Session 1 & 2*

Thrive On Welcome and Snack

Grades K-6 Session 1 & 2

Welcome and Snack creates a warm start to the program with a nutritious snack and time to settle in. This period helps students transition from the school day, connect with peers, and prepare for a successful afternoon.

Held: M, Tu, W, Th 3:45-4:00 p.m.

Thrive On Enrichment

Grade K-6 Session 1 & 2

Thrive Program Enrichment provides students with age-appropriate engaging academic support and hands-on activities that spark curiosity and creativity. Through clubs focused on art, science, music, sports, and more, students build skills, confidence, and teamwork while having fun beyond the classroom.

Held: M, W 4:00-5:00 p.m.

Art Club

Grades K-6 Session 1 & 2

Art Club gives students a creative space to express themselves while exploring a variety of artistic techniques and materials. Through hands-on projects, students build confidence, imagination, and fine motor skills in a fun and supportive environment.

Held: Tu, Th 4:00-5:00 p.m.

Book Club

Grades K-6 Session 1 & 2

Book Club encourages a love of reading through engaging stories and guided discussions. Students build literacy skills, comprehension, and confidence while sharing ideas and connecting with peers in a supportive setting.

Held: W 4:00-5:00 p.m.

Scouting

Grades K-6 Session 1 & 2

A safe, fun place to learn, explore, and grow. Programming includes character development, leadership, and outdoor exploration.

Held: Th 4:00-5:00 p.m.

Cooking Club

Grades K-6 Session 1 & 2

Cooking Club introduces students to basic cooking skills, nutrition, and kitchen safety through hands-on activities. Students work together to create simple recipes while building confidence, teamwork, and healthy habits.

Held: Tu, Th 4:00-5:00 p.m.

Creative Expressions Dance Studio

Grades K-6 Session 1 & 2

Creative Expressions Dance encourages students to explore self-expression through movement while learning different styles of dance. This club builds confidence, coordination, and creativity in an energetic and supportive environment.

Held: Tu, Th 4:00-5:00 p.m.

ELGA Credit Union

Grades K-6 Session 1 & 2

Age-appropriate financial education in money management skills such as saving, budgeting, and making smart spending choices through interactive activities and real-life scenarios.

Held: Th 4:00-5:00 p.m.

Stemletics

Grades K-6 Session 1 & 2

Children learn the concepts of science, technology, engineering and math by applying them to athletics and sports statistics.

Held: Tu, Th 4:00-5:00 p.m.

Reading Rangers

Grade 1 Session 1 & 2

Reading intervention; literacy and skill building to improve grade level reading using strategies such as lessons on individual tablets, reading curriculum, parent and family engagement activities and more.

Held: Tu, Th 4:00-5:00 p.m.

Girl Scouts

Grades K-6 Session 1 & 2

Girls will be engaged in leadership training, service learning, youth voice and empowerment activities, and developing life skills through Girl Scout programming.

Held: Tu 4:00-5:00 p.m.

Mann Made Fitness

Grades K-6 Session 1 & 2

Mann Made Fitness promotes physical activity, strength, and healthy habits through engaging, age-appropriate workouts. Students build confidence, discipline, and teamwork while staying active in a fun and motivating environment.

Held: Tu, Th 4:00-5:00 p.m.

My Sister's Voice American Sign Language

Grades K-6 Session 1 & 2

Students will learn basic vocabulary, grammar, and conversation skills through interactive practice, gaining confidence in communication and building greater understanding about deaf and hard of hearing culture.

Held: Tu, Th 4:00-5:00 p.m.

No 2 Stripes Alike

Grades K-6 Session 1 & 2

Lessons in zoology, including live animal handling, ecology and biology. Students will learn about animal behavior and habitat.

Held: Tu, Th 4:00-5:00 p.m.

Fathers That Care

Grades 4-6 Session 1 & 2

Volunteers will teach students about entrepreneurship, business, and healthy habits, designed to build leadership skills, strong character, and positive values.

Held: Tu, Th 4:00-5:00 p.m.

Fashion Club

Kindergarten Transitions/Buddy Visits

Buddy Visits allow preschool students and families to visit and engage with school staff and kindergarten students in elementary school classrooms. Each preschool student will have a kindergarten buddy, and the pair will be assigned common goals during the Buddy Visits.

Youth Advisory Council Monthly

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Success Mentoring During lunch periods M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Freeman Elementary

Dinner/Healthy Nutrition

Grades K-6 Session 1 & 2

Food and nutrition sessions increase students' knowledge of nutrition on how to eat well and promote healthy eating habits and help children stay strong, healthy, and active.

Held: M, Tu, W, Th 2:45-3:15 p.m.

Fitness

Grades K-6 Session 1 & 2

Students learn how to be physically active and healthy. Fitness helps students develop motor skills, knowledge, and confidence to be active in life.

Held: M, Tu, W, Th 3:15-3:45 p.m.

Academic Support

Grades K-6 Session 1 & 2

Educational activities that go beyond the standard curriculum to provide students with deeper learning, broader knowledge, and opportunities for intellectual and personal growth.

Held: M, Tu, W, Th 3:45-4:15 p.m.

STEM Mondays

Grades K-6

Students will have themed-sessions in science, engineering, math, and technology to develop critical thinking and problem solving.

Held: Bi-weekly on M 4:14-5:15 p.m.

Girl Scouts

Grades K-6 Session 1 & 2

Girls will be engaged in leadership training, service learning, youth voice and empowerment activities, and developing life skills through Girl Scout programming.

Held: Bi-weekly on M 4:15-5:15 p.m.

Club Boys The Curve

Grades K-6 Session 1 & 2

A program to empower individuals to believe in their abilities, embrace diverse perspectives, become dependable contributors, recognize their unique worth, and commit to lifelong learning.

Held: Bi-weekly on M 4:15-5:15 p.m.

Club Voice Choice

Grades K-6 Session 1 & 2

Empowering students to have a say in their learning experiences and make decisions about their education. This club helps foster a sense of ownership and agency, allowing students to shape their learning environment and express their ideas effectively.

Held: Th 4:15-5:15 p.m.

Cuddle Bugs Coloring Crew

Grades K-1 Session 1 & 2

Students explore colors, shapes, and simple art techniques while making exciting crafts each week. They will practice fine motor skills, spark their imaginations, and express themselves through coloring, painting, and hands on projects.

Held: W 4:15-5:15 p.m.

Club Literacy Matters K-3

Grades K-3 Session 1 & 2

This club will help students become better writers, expand their vocabulary, and help reimagine what they can achieve.

Held: Tu 4:15-5:15 p.m.

Club Heart of Worship

Grades K-3 Session 1 & 2

Heart of Worship Dance Studio offers instruction in ballet, liturgical dance, and hip-hop dance styles.

Held: Th 4:15-5:15 p.m.

Club Mini Makers and Builders

Grade 2 Session 1 & 2

Mini Makers & Builders is a playful introduction to engineering concepts through child-safe building materials (LEGOs, craft sticks, clay, cardboard, straws, magnets, etc.). Students work in small teams or individually to plan, build, test, and improve their creations.

Held: W 4:15-5:15 p.m.

Club Rainbow Readers

Grade 3 Session 1 & 2

Each week, students explore exciting, age-appropriate books that highlight diverse characters, cultures, and adventures. After reading, they bring the stories to life through hands-on crafts, creative projects, and interactive literacy activities.

Held: W 4:15-5:15 p.m.

Priceless Dream Financial Literacy

Grades 4-6 Session 1 & 2

This program will help students understand and recognize the benefits of saving and budgeting money.

Held: Tu 4:15-5:15 p.m.

Club Mindful Makers

Grades 4-6 Session 1 & 2

Students can explore their creativity while also building calm, focus, and self-expression. Each week, students participate in exciting projects such as slime, lava lamps, painting, mindful jars, fuzzy poster coloring, and engaging games. The club blends playful creativity with mindfulness, giving students a supportive space to relax, try new things, and express their ideas.

Held: W 4:15-5:15 p.m.

475 E-Sports*Grades 4-6 Session 1 & 2*

Competitive individual or team for video gaming on computers, console, or mobile gaming devices. Students will learn about sportsmanship and gaming strategies.

Held: Th 4:15-5:15 p.m.**Reflection and Clean Up***Grades K-6 Session 1 & 2*

Reflection for learning is the process of pausing to think critically about their learning experiences to better understand, improve, and retain knowledge that involves past events or knowledge to identify what worked and what didn't work in a discussion.

Held: M, Tu, W, Th 5:15-5:30 p.m.**Snack and Dismissal***Grades K-6 Session 1 & 2*

Students will have a healthy snack and then be dismissed to their parents.

Held: M, Tu, W, Th 5:30-5:45 p.m.**CRIM SPORTS****PeeWee Co-Ed Basketball***Grades K-2 Session 1 & 2*

Basketball basics that teach teamwork, develop coordination, and develop an understanding of team sports.

This program will guide students through the writing process from brainstorming to publishing while exploring genre, audience, format, characters, plot, setting, and careers available to writers.

Held: Tu, Th 3:35-4:25 p.m.

Lion's Leaders

Grades 6-8 Session 1 & 2

Our partner, 181 Teen Movement, uses challenging activities and personal evaluation as opportunities for growth, learning, and reflection. 181 Movement provides scholars with the necessary tools to become stronger with each challenge.

Held: M 4:25-5:15 p.m.

Money Matters

Grades 6-8 Session 1

Age-appropriate financial education in money management skills such as saving, budgeting, and making smart spending choices through interactive activities and real-life scenarios.

Held: Tu 4:25-5:15 p.m.

Cosmetology

Grades 6-8 Session 1

The middle school cosmetology club introduces students to basic hair styling, skincare, and nail art techniques in a creative afterschool environment.

Held: Tu 4:25-5:15 p.m.

Stemletics

Grades 6-8 Session 1

Children learn the concepts of science, technology, engineering, and math by applying them to athletics and sports statistics.

Held: Tu 4:25-5:15 p.m.

Theatre

Grades 6-8 Session 2

Theatre club gives students the chance to explore acting, improvisation, and stage skills in a fun afterschool setting. Students build confidence, teamwork, and creativity while preparing scenes or performances together.

Held: Th 4:25-5:15 p.m.

Dance

Grades 6-8 Session 2

Heart of Worship Dance Studio offers instruction in ballet, liturgical dance, and hip-hop dance styles.

Held: W 4:25-5:15 p.m.

Music

Grades 6-8 Session 1 & 2

This afterschool club gives students the opportunity to explore all aspects of making music, including songwriting, rhythm, melody, and basic recording. Members will collaborate creatively, experiment with different styles, and develop their musical skills in a fun, supportive environment.

Held: M, Th 4:25-5:15 p.m.

Lion's Den

Grades 6-8 Session 1 & 2

Success coaches will offer STEAM-based clubs and activities that students will be able to choose from.

Held: M, Tu, W, Th 5:15-5:45 p.m.

Mott Community College Visit

Mar. 20

Students will visit Mott Community College Southern Lakes Branch Center where they will tour the Occupational & Physical Therapy spaces, and the Law Enforcement Regional Training Academy. After lunch, they will participate in fun hands-on STEM activities.

Central Michigan University Visit

Apr. 17

We will be spending the day at Central Michigan University and participating in presentations, a walking campus tour, and lunch before returning to the school.

Zap Zone

May 7

Students will have an exciting experience at Zap Zone XL, enjoying activities such as laser tag, arcade games, and group challenges. This trip encourages teamwork, friendly competition, and fun in a safe, supervised environment.

Urban Air

June 4

Students will enjoy an exciting trip to Urban Air, where they can stay active while having fun on trampolines, obstacle courses, and other attractions. This experience promotes physical activity, teamwork, and positive social interaction in a safe, supervised environment.

COMMUNITY EDUCATION

Success Mentoring

During lunch periods M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Brownell-Holmes Neighborhood Association

Jan. 15, Feb. 12, Mar. 12, Apr. 9, May 14 4:30-5:30 p.m.

Youth Advisory Council/Student Council

Feb. 11, Mar. 18, Apr. 22, May 20 5:15-5:45 p.m.

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Makeovers with Mom

Mar. 12, May 7

Makeover with Moms is a school-family program that brings mothers and female family members into the school community through fun, confidence-building activities. It celebrates the important women in students' lives while strengthening parent involvement and connection to the school.

Family Bowling Night

Apr. 23 5:30-7:00 p.m.

Families are invited to come out to B's Bowling and show their family pride. Whether it be a chant, matching outfits, or a victory dance, the team with the best team spirit wins a prize! There will be food, fellowship, and fun!

Winter Ball

Apr. 23 5:30-7:00 p.m.

This winter-themed semi-formal dance brings families together for a magical evening of music, connection, and celebration. It fosters meaningful family bonding while creating warm memories in a festive, wintry atmosphere.

Summer Kick-Off Carnival

May 14 4:00-5:50 p.m.

This end-of-year carnival invites families to celebrate the close of the school year with games, activities, and festive fun. It strengthens school community connections while giving families a joyful way to reflect on achievements and welcome summer together.

International Academy Of Flint

Handwashing/Dinner

Grades K-8 Session 1 & 2

Transition time that promotes healthy habits and increases students' knowledge of nutrition on how to eat well and promote healthy eating habits, and help children stay strong, healthy and active.

Held: M, Tu, W, Th 3:30-4:20 p.m.

Turnt Up

Grades K-8 Session 1 & 2

Students will participate in a variety of age-level group challenges, games, and cooperative tasks that encourage trust, and creativity.

Held: Th 4:20-5:10 p.m.

Girl Scouts

Grades K-8 Session 1 & 2

Girl Scouts is a leadership development organization dedicated to empowering girls in grades K-8. Through engaging programs, hands-on activities, and community involvement, Girl Scouts helps young girls build courage, confidence, and character as they become leaders who make the world a better place.

Held: W 4:20-5:10 p.m.

Grades K-8 Session 1 & 2

Heart of Worship Dance Studio offers instruction in ballet, liturgical dance, and hip-hop dance styles.

Held: M 4:20-5:10 p.m.

Time To Move

Grades K-8 Session 1 & 2

Through structured exercises, games, and movement-based activities, students will develop strength, coordination, and endurance while learning the importance of teamwork and sportsmanship.

Held: M, Tu, W, Th 5:10-6:00 p.m.

No 2 Stripes Alike

Grades K-8

No 2 Stripes Alike offers lessons in zoology, including live animal handling, ecology and biology. Students will learn about animal behavior and habitat.

Held: Tu 5:10-6:00 p.m.

Yoga Class

Grades K-8 Session 1 & 2

Students will learn the basics of yoga, including safe stretching and breathing exercises.

Held: Th 5:10-6:00 p.m.

Mindfulness

Grades K-8 Session 1 & 2

A variety of mindfulness-based programs are increasingly being used in schools to help support and improve students' mental, emotional and behavioral health.

Held: W 5:10-6:00 p.m.

Storytelling

Grades K-8 Session 1 & 2

Storytelling offers numerous benefits, including enhancing communication skills, fostering emotional intelligence, promoting cultural understanding, and improving memory retention.

Held: M 5:10-6:00 p.m.

Reading Rangers

Grades K-1 Sessions 1 & 2

Reading intervention; literacy and skill building to improve grade level reading using strategies such as lessons on individual tablets, reading curriculum, parent and family engagement activities and more.

Held: M, Tu, W, Th 4:20-5:10 p.m.

181 Movement

Grades 6-8 Session 1 & 2

181 Team Movement uses challenging activities and personal evaluation as opportunities for growth, learning and reflection.

Held: Tu 4:20-5:10 p.m.

Robotics

Grades 6-8 Session 1 & 2

Robotics is a program where students learn how to program and build robots and then showcase their skills in competitions against other schools.

Held: M, W 4:20-5:10 p.m.

Dismissal

Grades K-8 Session 1 & 2

All grades meet in the lower school gym for dismissal, where they have a snack and reflect on their day.

Held: M, Tu, W, Th 6:00-6:30 p.m.

FIELD TRIPS

Sloan Museum of Discovery

Grades K-8

Feb. 26

A fun and educational trip in our own hometown! Sloan offers hands-on science, local and Michigan history, and a maker's space.

Cranbrook Institute of Science

Grades K-8

Mar. 12

The museum features sixteen permanent galleries, an outdoor science garden, nature trails, and specialized venues, such as the Acheson Planetarium, Cranbrook Observatory, and exploreLAB for interactive programs.

Lego Land Grades K-4

Mar. 26

A STEAM learning experience in a hands-on environment that increases student engagement.

The Wright Museum Grades K-1

Apr. 16

African-American museum of history and culture located in Detroit, Michigan.

Top Golf Grades 5-8

Apr. 30

Students will be introduced to the fundamentals of golf and have an opportunity to practice their new skills.

Crossroads Village & Huckleberry Railroad Grades K-8

May 7

A recreated turn-of-the-century town featuring 34 historic structures, the iconic Huckleberry Railroad, and traditional trades from skilled artisans.

Kindergarten Transitions/Buddy Visits

Buddy Visits allow preschool students and families to visit and engage with school staff and kindergarten students in elementary school classrooms. Each preschool student will have a kindergarten buddy, and the pair will be assigned common goals during the Buddy Visits.

Youth Advisory Council Grades K-6

Dates TBD

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

COMMUNITY EDUCATION

Success Mentoring

During lunch periods M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

McMonagle Elementary

Reading Rangers

Grades 2-3 Session 1

Reading intervention; literacy and skill building to improve grade level reading using strategies, such as lessons on individual tablets, reading curriculum, parent and family engagement activities, and more.

Held: Tu, Th 4:15-5:15 p.m.

Healthy Hawks

Grades 2-5 Session 1 & 2

Transition time from the school day to afterschool, students will wash their hands, complete their daily affirmations, and have dinner.

Held: M, Tu, W, Th 3:45-4:15 p.m.

Let's Get Moving (at home)

Grades 2-5 Session 1 & 2

Students will be given a variety of athletic equipment for personal use at home in order to gain healthy habits in their own personal space.

Held: Daily

Violin

Grades 3-5 Session 1 & 2

Introduces students to the violin, teaching them basic techniques, music reading, and performance skills.

Held: Tu, Th 4:15-5:15 p.m.

Science/Game Hawks

Grades 2-5 Session 1 & 2

Students will learn science concepts through hands-on experiments and games.

Held: Tu, Th 4:15-6:00 p.m.

We Love Chili on Valentine's Day

Grades 2-5 Feb. 12

Students will participate in a discussion about ingredients and cooking chili after which they will judge and enjoy separate chili recipes before jumping into fun Valentine's games and activities.

Held: Feb. 12 3:45-6:00 p.m.

FIELD TRIPS

Hawks Fly at Fun City

Mar. 27 12:30-4:30 p.m.

Students will head to Fun City where they will get to enjoy trampolines, wall climbing, basketball and volleyball, ninja course, foam pit, arcade, and more.

Aloha to Summer

May 21 3:45-6:00 p.m.

Students will celebrate with an end-of-year Luau featuring music, bounce house, photo booth, food, and more.

Success Mentoring

During lunch periods M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Youth Advisory Council/Student Council

M, Tu, W, Th during lunch period

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Parent Advisory Council/Parent Meetings

Feb. 10, Mar. 10, Apr. 14, May 19

Parents and other community members collaborate with school staff and administrators to provide input on educational policies, programs, and decisions to improve student success. This group serves as a bridge between the home and the school.

6th Grade Transition Trip to Middle School

TBD

6th Grade Students will be given a special t-shirt and travel to the middle school where they will be introduced to school administrators and have lunch with 7th and 8th graders.

Math Night

TBD

Students and their families will experience math-related games and activities that will reinforce math concepts in a playful way.

Looking Back through History

Feb 27 5:00-7:00 p.m.

McMonagle Youth Advisory Council members will lead a month-long project with 5th and 6th grade students researching famous African-American historical figures in preparation for a live museum event.

Community Resource Fair

Mar. 19 5:00-7:00 p.m.

The McMonagle Thrive On team will invite a variety of community resource partners to engage with McMonagle families to raise awareness of the different resources and opportunities in the Flint community

Reading Night

TBD

Students and their families will experience reading-related games and activities that will reinforce reading concepts in a playful way.

Field Day

June 5

The McMonagle Thrive On team will partner with the day-school staff to celebrate students on a successful academic year. The celebration will feature bounce houses, game truck, food, games, and fun.

Potter Elementary

Welcome/Handwashing/Dinner

Grades K-6 Session 1 & 2

Transition time that promotes healthy habits and increases students' knowledge of nutrition on how to eat well, promote healthy eating habits and help children stay strong, healthy and active.

Held: M, Tu, W, Th 3:30-4:20 p.m.

Fitness

Grades K-6 Session 1 & 2

Fitness helps students develop motor skills, knowledge, and confidence to be active for life, perform physical activities, adopt healthy habits, and play sports.

Held: M, Tu, W, Th 4:20-5:10 p.m.

Homework Help

Grades K-6 Session 1 & 2

Assistance focused on helping students complete their homework assignments correctly.

Held: M, Tu, W, Th 4:20-5:10 p.m.

Creative Imaginator's Club

Grades K-1 Session 1 & 2

This session will focus on both creative expression and foundational life skills. Students will practice important fundamentals such as learning how to tie their shoes, showing kindness to one another, and practicing self-care. In addition to these skills, students will work on hands-on creative projects and taste-testing activities.

Held: M, Tu 5:10-6:00 p.m.

Crafty Bites Adventure Club

Grades 2-3 Session 1 & 2

Crafty Bites Adventure Club is a fun, hands-on club where students explore food, culture, and creativity. They use their imagination to make crafts inspired by global cuisines, healthy habits, and favorite snacks. We taste, create, and celebrate together while learning about new foods and cultures.

Held: M, Tu 5:10-6:00 p.m.

STEM Squad

Grade 4 Session 1 & 2

STEM Squad is a hands-on Science, Technology, Engineering and Math (STEM) club designed to spark curiosity, inspire students to use critical thinking skills, and build STEM skills. Students will participate in lessons that will promote exploration, problem-solving and teamwork/collaboration.

Held: M, Tu 5:10-6:00 p.m.

Girl Scouts

Grades K-6 Session 1 & 2

Girls will be engaged in leadership training, service learning, youth voice and empowerment activities, and developing life skills through Girl Scout programming.

Held: W 5:10-6:00 p.m.

ELGA Credit Union

Grades K-6 Session 1 & 2

Age-appropriate financial education in money management skills such as saving, budgeting, and making smart spending choices through interactive activities and real-life scenarios.

Held: W 5:10-6:00 p.m.

Stemnetics

Grades K-6 Session 1 & 2

Enrichment that will strengthen their math, science and leadership skills. During the program students will build various STEM projects like rockets, robots, cars, and projects about force in motion and electricity.

Held: W 5:10-6:00 p.m.

Art & Science Museum Club

Grades 4-5 Session 1 & 2

An interactive, hands-on space where students explore creativity and curiosity through art and STEM. Each session transforms the classroom into a mini “museum” filled with rotating activities—painting, sculpture, digital art, simple chemistry, physics experiments, and design challenges. The club encourages imagination, critical thinking, and confidence.

Held: M, Tu 6:00-6:30 p.m.

Superbowl Spirit Day

Grades K-6 Session 1 & 2

Celebrate Super Bowl season with Spirit Day! Participants are encouraged to wear team colors while enjoying football-themed games and activities in a welcoming and energetic atmosphere.

Held: Feb. 5 5:10-6:00 p.m.

Piece of Pi Celebration

Grades K-6 Session 1 & 2

Celebrate Pi Day (3.14) with a “Piece of Pi” celebration!

Participants will enjoy a fun activity centered around math, treats, and friendly conversation while recognizing the importance of Pi in a lighthearted, engaging way.

Held: Mar. 12 5:10-6:00 p.m.

Shamrock Shake Social

Grades K-6 Session 1 & 2

Join us for a festive Shamrock Shake activity in celebration of St. Patrick’s Day! Participants will enjoy creating and tasting a classic minty treat while connecting with peers in a fun, lighthearted environment. This activity encourages community building and seasonal fun.

Held: Mar.17 5:10-6:00 p.m.

Springtime Treasure Hunt

Grades K-6 Session 1 & 2

The Springtime Treasure Hunt is a fun, interactive activity designed to promote engagement, movement, and collaboration. Participants will search designated areas for hidden treasures while enjoying a positive, inclusive springtime experience.

Held: Mar. 26 5:10-6:00 p.m.

Cinco De Mayo Celebration

Grades K-6 Session 1 & 2

Join us for a Cinco de Mayo Fiesta as we celebrate culture, community, and togetherness! Participants will enjoy themed activities, music, and fun experiences that highlight the spirit of the day in a positive and engaging way.

Held: May 5 5:10-6:00 p.m.

Luau Summer Send-Off

Grades K-6 Session 1 & 2

We will celebrate the end of the school year with a Luau Afterschool Summer Send-Off! Participants will enjoy fun, themed activities, games, music, and refreshments as we come together to celebrate a successful year and kick off summer in a positive, joyful way.

Held: June 4 6:00-6:30 p.m.

CRIM SPORTS

PeeWee Co-Ed Basketball

Grades K-2 Session 1 & 2

Basketball basics that teach teamwork, develop coordination, and develop an understanding of team sports.

Held: TBD

Jr. Boys Basketball

Grades 3 & 4 Session 1 & 2

Basketball training and conditioning that includes games with playoffs.

Held: TBD

Sr. Boys Basketball

Grades 5 & 6 Session 1 & 2

More advanced basketball training and conditioning that includes games with playoffs.

Held: TBD

Jr. Girls Basketball

Grades 3 & 4 Session 1 & 2

Basketball training and conditioning that includes games with playoffs.

Held: TBD

Sr. Girls Basketball

Grades 5 & 6 Session 1 & 2

More advanced basketball training and conditioning that includes games with playoffs.

Held: TBD

FIELD TRIPS

Rollhaven & Grand Blanc Lanes

Feb. 25 for K-6

Students will enjoy a fun, active outing featuring roller skating and bowling.

Urban Air

Mar. 18

Hands-on lessons in STEM/STEAM.

COMMUNITY EDUCATION

Success Mentoring

During lunch periods M/W & Tu/Th

One-on-one mentoring for selected students twice per week, designed to improve attendance and academic performance.

Kindergarten Transitions/Buddy Visit

May 18

Buddy Visits allow preschool students and families to visit and engage with school staff and kindergarten students in elementary school classrooms. Each preschool student will have a kindergarten buddy, and the pair will be assigned common goals during the Buddy Visits.

Parent Ambassador Meetings

Feb. 20, Mar. 20, Apr. 17, May 15

Parents and other community members collaborate with school staff and administrators to provide input on educational policies, programs, and decisions to improve student success. This group serves as a bridge between the home and the school.

Local Neighborhood Association Meetings

Jan. 30, Feb. 27, Mar. 27, Apr. 24, May 29 5:00-6:00 p.m. in the Gym

Youth Advisory Council

Weekly on Friday 4:00-5:00 p.m.

Students will learn about the roles for class representatives, run campaigns, hold elections, learn about self-governance, while helping to make decisions about programming and activities at their school.

Health and Wellness Event

Mar. 27 3:45-6:00 p.m.

Support for our students, families, and staff in developing positive habits around physical fitness, nutrition, and mental well-being. The event would serve as a fun, educational, and engaging way to promote overall wellness while strengthening our school community.

Family Skating Saturdays
